Instructions for Recipient Committee Campaign Statement

CALIFORNIA
FORM

460

Period Covered by a Statement:

The "period covered" by a campaign statement begins the day after the closing date of the last campaign statement you filed. For example, if the closing date of the last statement was September 30, the beginning date of the next statement will be October 1.

If this is the committee's first campaign statement, begin with January 1 of the current calendar year.

The closing date of the statement depends on the type of statement you are filing.

Date of Election:

If you are filing this statement as a pre-election statement in connection with an election, enter the date of the election.

Type of Recipient Committee:

Check one box to indicate the type of committee filing the statement. General descriptions are provided on the cover sheet to this form, or contact your filing officer or the FPPC for assistance. Following are some additional guidelines:

Controlled Committee

- A controlled committee is one that is controlled by a candidate, officeholder or, in the case of a state ballot measure committee, by the proponent of the measure. A committee is "controlled" if the candidate, officeholder, or proponent, his or her agent, or any other committee he or she controls, has a significant influence on the actions or decisions of the committee.

Sponsored Committees

- A sponsored committee is one that has a sponsor—a business entity, organization, union, or other entity—that meets certain criteria. Sponsored ballot measure committees and general purpose committees must include the name of the sponsor in the name of the committee.

Broad Based Committees

- This term is significant only if the committee makes contributions to candidates running in a special election to fill a vacant elective office.

Type of Statement:

Check the appropriate box(es) to indicate the type of statement you are filing (or amending).

Amendments: If you are filing an amendment to a previously filed statement, give a brief explanation of the amendment and list the schedules being amended. Include an amended summary page, if applicable. Be sure to enter the period covered of the statement you are amending.

Termination: A committee must continue filing campaign statements each year until it is eligible to terminate and files a Form 410 Termination. Most officeholders must continue filing campaign statements until they have terminated all controlled committees and leave office.

Committee I.D. Number:

If the committee has not yet received an identification number from the Secretary of State,

enter "Not Yet Received." File Form 410 to obtain an I.D. Number.

Verification:

The statement must be signed by the committee treasurer or the assistant treasurer named on the committee's Statement of Organization (Form 410). An officeholder, candidate, or state measure proponent who controls the committee must also sign the statement. If two or three officeholders, candidates, or proponents control the committee, each must sign the statement. If more than three control the committee, one may sign on behalf of the others.

Under certain circumstances, the responsible officer of a sponsoring organization must sign the statement.

Additional Important Information:

Refer to the FPPC [Information Manual on Campaign Disclosure Provisions](#) for your type of committee for information about:

- When, where, and what type of statements the committee is required to file.
- Closing date of campaign statements.
- Sponsored committee criteria.
- Broad based committee definition.
- Termination criteria.
- Recordkeeping requirements and prohibitions.

Instructions for Summary Page Campaign Disclosure Statement

The Summary Page provides an overview of the committee's financial activities and is completed for each filing. Effective August 1999, reporting requirements changed. Review the schedules and instructions carefully.

Column A reflects activities during the current reporting period as reported on Schedules A through H. It is not necessary to attach a blank schedule if there has been no reportable activity during the period, but it is necessary to enter a zero or the word "none" on the appropriate line in Column A of the Summary Page.

Column B should contain the cumulative totals from January 1 of the current year to the beginning of this reporting period. These totals are carried forward from Column C of the committee's last campaign statement.

However, because the "cumulation period" for contributions received and expenditures made is the calendar year (January 1-December 31), Lines 1, 4, 6, and 10 of Column B should be blank for any statement beginning January 1.* The amounts on Lines 2, 7, and 9 are carried forward from year to year until they are paid.

Column C figures should reflect the cumulative total since January 1 of the current calendar year (the totals of Columns A and B).

When loans (Schedules B and H) and accrued expenses (Schedule F) are paid, the figures to be carried from the schedules to Lines 2, 7, and 9 of the Summary Page may be negative numbers. In

this case, be sure to show them as negative figures on the Summary Page (e.g., with a minus sign (-) or in parentheses), and subtract them when totaling Columns A and B.

Current Cash Statement:

Lines 12-16 of the Summary Page should accurately reflect your current cash position. Beginning and ending cash balances should include the total amount of funds in your campaign checking and savings accounts, plus any investments that can be readily converted to cash, such as certificates of deposit, money market accounts, stocks and bonds, etc.**

Line 12 (Beginning Cash Balance) must be the same as the ending cash balance reported on Line 16 of your previous statement's Summary Page. If this is your first campaign statement, enter zero on Line 12.

Line 16 (Ending Cash Balance) is the total of Lines 12, 13, and 14, **minus** Line 15.

If you are filing a termination statement, Line 16 must be zero.

Cash Equivalents:

"Cash equivalents" include investments that cannot be readily converted to cash, as well as the balance due on all outstanding loans the committee has made to others (from Line 7 of Column C of the Summary Page). Investments that can be readily converted to cash, such as

certificates of deposit or money market funds, should be included in the cash on hand figures on Lines 12 and 16 of the Summary Page.

Summary for June and November Elections:

This section is only for committees that are:

- Controlled by a candidate who is being voted on in both June and November elections (does not apply to controlled ballot measure committees); or
- Primarily formed to support or oppose candidates being voted on in both June and November elections.

Complete this summary on the pre-election and semi-annual statements for the November election, covering periods during the last six months of the year (July 1-December 31).

*There are exceptions to the calendar year "cumulation period" for candidate elections and ballot measure elections held in January and early February, and for ballot measure qualification activities. Consult the FPPC [Information Manual on Campaign Disclosure Provisions](#) for additional information.

**Officeholders and candidates are subject to bank account restrictions, and all committees should read the FPPC Information Manual regarding appropriate uses of campaign funds.
